REGISTRATION

The registration will start at **8 am** on 20th January. Please go up the elevator to the 12th floor of TKP Shimbashi Conference center for the registration. We suggest for you to come little earlier because there are other workers coming in the same time, and you might need to wait for the elevator comes.

We will provide the **name card in Room 12B** at the registration counter. For security reasons, please wear it during the whole period of the meeting while you are inside of the TKP Shimbashi Conference center.

OTHER USEFUL INFORMATION

<Weather>

The average temperature in Tokyo in January is between 2°C to 10°C (35.6°F to 50°F), and average temperature is about 6 degrees Celsius (42.8 °F). It is the coldest and dry season. We suggest wearing coat to be warm enough and to prevent getting sick.

<Time Zone>

Japan standard time (JST), uniform throughout the country, is 9 hours ahead of GMT.

<Currency and Rate of Exchange>

US\$1.00 = 108.09 Japanese Yen (as of January 6, 2020)

< Telephone country code>

The country phone code to reach Japan is +81

<Electricity>

Electricity service throughout Japan is 100 Volts AC. There are two frequencies in use: 50 Hz in northeastern regions (including Kanagawa and Tokyo) and 60 Hz in the southwestern regions (including Kyoto and Osaka). The plugs used in Japan have two straight pins (**A2 plug**). Participants are advised to check the voltage before using appliances. Some participants may need to bring converters or adapters. (see photo for the Japanese plug)

<Emergencies>

Dial 119 to call an ambulance or fire engine in case of sudden illness or injury, or in case of fire.

Dial 110 to call police in case of traffic accident or crime.

<Tipping>

There is no tipping system in Japan.

<Useful information >

“Time Out Tokyo” is a good resource for searching the information.
